## Fashion Show Guidelines

- 1. Overview, Objectives, Purpose.** To recognize 4-H members who have completed a fashion and interior design project. The following objectives are taught in the fashion and interior design project: knowledge of fibers and fabrics, wardrobe selection, clothing construction, comparison shopping, fashion interpretation, understanding of style, good grooming, poise in front of others, and personal presentation skills. The purpose of the Fashion Show is to provide an opportunity for 4-H members to exhibit the skills learned in their project work. It also provides members and opportunity to increase their personal presentation skills.
- 2. Fashion Show Divisions.** There are two divisions in the Fashion Show: Buying and Construction. Contestants may enter one category, in one division. (ex. Buying-Everyday Living or Construction-Everyday Living)

The 4-H member must choose a division and category at the county level and must compete in that division and category at all levels of competition. The entry worn at county must be the entry worn at district and state. Accessories such as shoes, jewelry, hats, gloves, and scarves may be changed, but changes must be included on the paperwork. The appropriate garment category should be determined by the style, fabric, and use of garment. No one may change division or categories between district and state contests.

3. **Fashion Show Categories.** Below is a list of categories and description of each. Agents should assist 4-H members in placing entries in appropriate categories. Those not placed in appropriate categories may be disqualified.

<b>JUNIOR/INTERMEDIATE BUYING CATEGORIES</b>	
<b>Everyday Living</b>	Includes casual sportswear, weekend-wear, sleepwear, clothing for school, casual after-school events, or hanging out with friends.
<b>Fantastic Fashions under \$25</b>	This category is designed to expand the 4-H member's shopping experience to include different shopping venues. Outfits must be purchased at a garage sale, consignment store, Goodwill, Salvation Army, or other retail business. Receipts are required for everything that is visible during the interview, except shoes. Receipts for garage sales can be handwritten. This includes jewelry and accessories. Do not need to account for sales tax.
<b>Dressy</b>	Garments worn to dressy activities such as church, banquets, luncheons and 4-H interviews. Examples are children's suits and dressy dresses. Original material must be fabric and not from recycled items.
<b>Special Interest</b>	Limited to special purpose garments. Examples are band, pep squad and cheerleader uniforms; sleep wear; theatrical and circus-type costumes such as clown suits and ballet costumes; equestrian clothing and riding apparel; hiking clothing; or rock-climbing clothing. Garments in this category should not be suitable for ordinary activities.
<b>JUNIOR/INTERMEDIATE CONSTRUCTION CATEGORIES</b>	
<b>Everyday Living</b>	Includes casual sportswear, weekend-wear, sleepwear, clothing for school, casual after-school events, or hanging out with friends.
<b>Refashion</b>	The result of modifying existing clothing or fabric item (such as table cloth or curtain) into something more fashionable. The main purpose of ReFashion is creativity, as well as sewing skills. The member designs and sews a wearable garment from previously used garments or fabric item. The completed garment is different from its original use, not just an alteration. (Examples: neck ties sewn together to form a skirt or taking old t-shirts and making them into a skirt)
<b>Dressy</b>	Garments worn to dressy activities such as church, banquets, luncheons and 4-H interviews. Examples are children's suits and dressy dresses. Original material must be fabric and not from recycled items.
<b>Special Interest</b>	Limited to special purpose garments. Examples are band, pep squad and cheerleader uniforms; sleep wear; theatrical and circus-type costumes such as clown suits and ballet costumes; equestrian clothing and riding apparel; hiking clothing; or rock-climbing clothing. Garments in this category should not be suitable for ordinary activities.

**SENIOR BUYING CATEGORIES**

<b>Business/Interview Attire</b>	Entry should be an outfit you would wear for a job interview, scholarship interview, job fair, or other professional event. 1. Professional – This is a more traditional, conservative approach (e.g., business suit or blazer, tie and dress slacks for men; business suit, pantsuit, or jacket and dress for women) and may vary by employer or industry. 2. Business Casual – This trend is more relaxed and comfortable but demonstrates good judgment in choices and displays a neat appearance (e.g., polo shirt, shirt with a collar or sweater, khakis or other slacks, dress or casual leather shoes for men and women; moderate length dress or skirt for women).
<b>Fantastic Fashions under \$25</b>	This category is designed to expand the 4-H member's shopping experience to include different shopping venues. Outfits must be purchased at a garage sale, consignment store, Goodwill, Salvation Army, or other retail business. Receipts are required for everything that is visible during the interview, except shoes. Receipts for garage sales can be handwritten. This includes jewelry and accessories. Do not need to account for sales tax.
<b>Semi-Formal to Formal</b>	Entry must be designed for semi-formal to formal occasions and made from fabrics intended for the same. Semi-formal is a little less formal than formal black tie. Ex. For women dresses or stylish pantsuit made of taffeta, chiffon, satin or other similar fabrics. For men dress includes jacket or vest, trousers and a tie. Current fashion does not dictate that a tie is necessary. Formal includes men's suits and tuxedos and women's formal gowns, wedding dresses, and bridesmaid dresses.
<b>Special Interest</b>	Entry should be a specific outfit that you NEED to know how to purchase wisely. Entry should be something that reflects a special interest of the participant, such as equestrian clothing and riding apparel, dance costumes, hiking clothing, or rock-climbing clothing.

**SENIOR CONSTRUCTION CATEGORIES**

<b>ReFashion</b>	The result of modifying existing clothing or fabric item (such as table cloth or curtain) into something more fashionable. The main purpose of ReFashion is creativity, as well as sewing skills. The member designs and sews a wearable garment from previously used garments or fabric item. The completed garment is different from its original use, not just an alteration. (Examples: neck ties sewn together to form a skirt or taking old t-shirts and making them into a skirt)
<b>Semi-Formal to Formal</b>	Entry must be designed for semi-formal to formal occasions and made from fabrics intended for the same. Original material must be fabric and not from recycled items. Semi-formal is a little less formal than formal black tie. Ex. For women dresses or stylish pantsuit made of taffeta, chiffon, satin or other similar fabrics. For men dress includes jacket or vest, trousers and a tie. Current fashion does not dictate that a tie is necessary.
<b>Theatre/Costume</b>	Garment intended for use as a costume, which would include stage production. May be sewn from fabric or from another garment. These garments may be unusual or innovative materials; imaginative but wearable.

## D8 4-H FASHION SHOW

### *Natural Fiber Guidelines*

1. **Purpose.** The Fashion Show Natural Fiber Contest provides an opportunity for 4-H members to exhibit the skills learned related to Cotton and Wool/Mohair. It also recognizes 4-H members who do outstanding work in a clothing project that includes the study of cotton or wool and mohair.
2. **Seniors Only.** The Natural Fiber Contest is for Seniors only. This is a separate entry from the Fashion Show Construction/Buying Division. The Natural Fiber entry does not have to be the same entry as the Fashion Show Buying or Construction entry.
3. **Natural Fiber Categories.** Below is a list of categories and a brief description of each. Agents should assist 4-H members in placing entries in appropriate categories. Those not placed in appropriate categories may be disqualified.

The 4-H member must choose a category at the county level and must compete in that division and category at all levels of competition. The entry worn at county must be the entry worn at district and state. Accessories such as shoes, jewelry, hats, gloves, scarves may be changed, but changes must be included on the paperwork. The appropriate garment category should be determined by the style, fabric, and use of garment. No one may change categories between district and state contests.

<b>Senior Natural Fiber Categories</b>	
Cotton	Each garment entered must contain a minimum of 60% cotton. Knowledge of fiber characteristics, production, and end use is required.
Wool/Mohair/Alpaca	Each garment entered must contain a minimum of: <ul style="list-style-type: none"> <li>• 60% wool and 40% other fiber.</li> <li>• 60% mohair and 40% other fiber.</li> <li>• 60% alpaca and 40% other fiber.</li> <li>• 60% blend of the above fibers and 40% other fiber.</li> <li>• 100% wool/mohair blend is also acceptable.</li> </ul> Knowledge of fiber characteristics, production, and end use is required.

4. **Garment.** The garment selected can be purchased (renting a garment is not permitted) or constructed. A complete outfit, except for a blouse or shirt under the garment, is made of the eligible fashion fabric. Example: Jacket and pants made of wool, but shirt or blouse does not need to be made of wool; a full-length coat made of eligible fashion fabric worn over a garment of any fiber content. Lining fabric, interfacing fabric, and trims are not required to meet the fiber content requirements.

<b>Seniors</b>	<ul style="list-style-type: none"> <li>• Contestants will upload their appropriate required paperwork to 4-H Connect by the deadline set by the county, so paperwork may be judged prior to the Fashion Show. (Check with your County Extension Agent for county deadlines.)</li>   <li>• The paperwork should be uploaded as a <b><i>single pdf file</i></b>.</li>   <li>• Presentation judges will be given a copy of this paperwork prior to the presentation.</li>   <li>• Natural Fiber Paperwork: 2024 Texas 4-H Fashion Show Natural Fiber Entry Form (3 pages)</li> <li>• <a href="https://texas4-h.tamu.edu/wp-content/uploads/fashion_show_natural_fiber_entry_form_2024.pdf">https://texas4-h.tamu.edu/wp-content/uploads/fashion_show_natural_fiber_entry_form_2024.pdf</a></li> </ul>

5. **Judging Criteria.** Judging is based on the appropriate score sheet and will evaluate contestants based on their paperwork and presentations.

- a. Ties – If a tie should occur in a category, the ties will be broken using partial scores in the following order:
- Promotion of Natural Fiber sub-total score.

## D8 4-H FASHION STORYBOARD

### *Fashion Storyboard*

**Overview.** The 4-H Fashion Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as inspiration and trend photos, fabric swatches, and material samples) that have influenced the unique design.

**Purpose.** The purpose of the 4-H Fashion Storyboard contest is to give 4-H members an opportunity to create a storyboard of their original design. It also provides the members an opportunity to gain knowledge of the career responsibilities of a fashion designer and illustrator, enhance creativity and originality, and develop visual communication skills.

**Design Brief.** The following design brief serves as the inspiration and direction for the 2024 Storyboards. 4-H members should create their Storyboard around their interpretation of the design brief.

**"Dream"** serves as the ultimate source of inspiration for this fashion concept. The concept revolves around the multifaceted nature of dreams, whether they are the surreal visions that captivate a sleeping mind or the vivid aspirations that fuel the conscious soul. The fashion narrative will blur the lines between reality and reverie, creating a visual story that celebrates the ethereal and the tangible. This concept invites designers to translate the essence of dreams into fashion, evoking a sense of wonder, mystery, and endless possibility.

The designer will follow their own design process when creating their original design and storyboard. Some of the steps to be used may include:

1. Determining what inspires you or what is your idea.
2. Research your inspiration – find pictures that represent your inspiration, include color inspiration and current trends related to your inspiration.
3. Create sketches of design ideas and continue to modify your sketches until you create your perfect design. Finalize your design illustration. Then create flats or technical drawings.
4. Select fabrics or other construction materials to be used in your design.

#### GENERAL RULES

1. **Physical format.** Storyboards can be created using a physical format. All entries must be uploaded as a photo of a physical storyboard saved as a PDF, jpeg, jpg or png.
2. **Storyboard size requirements.** Storyboard dimensions need to be between 18”and 24” (in one direction) and 24”and 30” (in the other direction). Recommended size is 18” X 24”.
3. **Participation and Level of Competition.** Storyboards will now be an invitational contest at the senior 4-H level. A 4-H member may enter only one storyboard.
4. **Entry and submission of Storyboard.** Each storyboard must be created by the 4-H member. Storyboard layouts should include original illustrations and flats, as well as additional materials that have influenced their unique design. All photos of entries must be saved as a PDF, jpeg, jpg or png. Entries will be submitted online from March 4- March 29, 2024
5. **Number of garments/ designs.** Focus on one garment/design for the storyboard. Contestants may provide up to two (2) variations of the original design.

6. **Categories.** The following is a list of the categories and descriptions. Each storyboard should be entered in one category. A 4-H member may enter only one storyboard.
  - a. **Wearable:** Clothing that can be worn. Includes items such as pants, shorts, skirts, blouses, sweaters, coats, dresses, etc.
  - b. **Accessory:** Includes items such as belts, purses, bags, hats, etc.
  - c. **Jewelry:** Includes necklaces, bracelets, rings, earrings, etc.
  - d. **Pet Clothing:** Includes items that can be worn by a pet or any other animal.
  - e. **Home Décor** – items that are easy to move and make a home visually appealing, examples of home décor items include: throw pillows, table runner, or wall hanging.
  - f. **Home Furnishings** – items that make a home comfortable for living or working in. Examples include: couch, ottoman, chair, tables, desks, beds and the like.
7. **Scoring.** Storyboards will be evaluated based on the 4-H Storyboard Score Sheet.
8. **Each Storyboard must conform to and will be evaluated based on the following, but is not limited to:**
  - a. **Visual Appeal of Storyboard** – Storyboards should show evidence of creativity by the 4-H member. The layout of the storyboard should illustrate a theme, mood, or spirit of an idea.
    - i. Original design should serve as the focal point of the design.
    - ii. Placement of the inspirational items should allow the eye to flow across all elements of the board without distracting from the design.
    - iii. “White space” or “blank space” should be kept in consideration. Too much or too little white space detracts from the design.
    - iv. Additional photos and other materials can be used to show the inspiration for the design. These additional materials should enhance the storyboard, without taking away from the original design.
  - b. **Cohesiveness of Imagery and Overall Aesthetic** – Unified design elements throughout the board. Design elements can be anything including color, fonts, and images.
  - c. **Consistent Color Palette** – Use a consistent color palette and theme throughout the board.
  - d. **Fabric Samples, Trims, and Embellishments** – Fabric samples must be included on the board and be appropriate for the design illustrated. Trims and embellishments that would be used on the garment/outfit should be included, if applicable to the design.
    - i. If the exact fabric swatch cannot be found, a “basic swatch” may be used to illustrate fabric type (denim, linen, etc.).
    - ii. Examples of trims and embellishments would be top stitching, piping, buttons, etc.
  - e. **Balance** – The visual weight of the elements on the storyboard. Visual elements should be placed in a pleasing arrangement to fulfill a purpose or achieve a desired look and feel.
  - f. **Comprehensiveness** – Visual design can help to convey a message regarding your design. The colors, images, text, and symbols selected should enhance the story of your design.
  - g. **Originality of Design Illustration**– The focus of the storyboard contest to display your original designs, not create knockoffs of designs that are already on the market. As the designer it is important use your imagination and inspiration to create fresh and novel ideas. All design illustrations and flats should be the original work of the 4-H member. The design may be hand drawn or computer drawn. No “copying and pasting” from someone’s design as seen on the Internet, in a magazine, or other sources for the original design.
  - h. **Design Detail in Flats** – Should include the at least one illustration and at least one Flat. *Flats* – A flat sketch is a two-dimensional technical drawing which illustrates a garment with basic solid lines. It is like the “blueprint” of your design. The word “flat” refers to the way that they are drawn: imagine the item is lying flat on a table so that you are viewing all details from either the front or the back.

- i. **Titles/Labels** – The title for each storyboard is **DREAM**. The title should help the viewer to understand the overall theme or feel of the storyboard.

Additional labels may be added to the board as needed to provide details as related to the overall design of the board. A subtitle **may** be used for a more personalized name of the design. Labels may be included to enhance the storyboard or to clarify a point, but they will not be required.

- j. **Design Brief** – Storyboards should follow the design brief and category descriptions.
- k. **Completeness** – Storyboard follows the contest guidelines and includes an illustration, flat and inspiration pieces.
- l. **Image credit** – List the photo credits for the pictures used in the storyboard. These will be included on the storyboard label.

## D8 4-H DUDS TO DAZZLE

### *General Rules & Guidelines*

#### OVERVIEW

In the Texas 4-H Youth Development Program, 4-H members participate in the 4-H Fashion & Interior Design project to become knowledgeable in a multitude of concentrated skills including, but not limited to, design, construction and consumer buying. The Texas 4-H Duds to Dazzle qualifying competition has taken another step in expanding the learning experience by “going green” through the introduction of eco-fashion.

#### OBJECTIVES

- Allow participants learning opportunities.
- Promote teamwork.

### *Rules of Play*

1. **Check-in.** Teams will report to the designated location for check-in.
2. **Orientation.** An orientation will be provided for all participants.
3. **Stations.** Each team will be directed to a construction station. There will be collections of materials at each station, but no pattern. The materials must be used to represent a constructed item from one of the following categories: Wearable, Accessory/Jewelry, or Non-wearable.
4. **Electronic Devices.** No electronic devices or jewelry (except for medically required) is allowed in the contest. This includes cell phones, smart watches or other communication devices
5. **Resources and Instructions.** A textile, worksheet, and any necessary additional instructions will be located at each station to assist the team.
6. **Time.** Each team will have 60 minutes to construct an item, plan a presentation, and clean up the construction area.
7. **Participants only.** Only participants and contest officials will be allowed in construction areas.
8. **Equipment.** Teams that may experience any equipment malfunction(s) may not replace the equipment with supplies from another team, leaders, volunteers, county Extension agents, or contest officials. Instead, team members must work together and be creative in completing construction without the malfunctioning equipment.
9. **Construction:** Each team will be provided with a startup textile item(s) for their assigned category and will create a garment/item using them. Each category may be provided the same textile, or each may receive a separate original item. *Clarification: at contest, all teams competing in Wearable may receive a men's button-down dress shirt; each team competing in Accessory/Jewelry get 5 silk neck ties; and the teams entered in the Non-wearable category are given table runners. Or, every team competing in Duds to Dazzle is provided with an adult-sized t-shirt to refurbish. The choice is at the discretion of the contest officials.*
10. **Design and Development.** Teams are challenged with being creative in developing an original product with the materials provided.
  - a. Teams must incorporate each material into the product. However, teams may determine the exact amount of each material to use, keeping in mind that a minimum of 50% of the final product must include the initial material(s). *Clarification: if the category is Accessory/Jewelry, and the team is provided a cloth shower curtain as the original item to be refurbished, they do not have to use 50% of the shower curtain. If you choose to make a purse from the shower curtain, you do not need to use 50% of the shower curtain; however, a minimum of 50% of the finished purse must be comprised of the curtain.*
  - b. Teams will have access to a "closet" of additional materials that may be incorporated into their products. The number of additional materials a team may get will be determined by contest officials and announced during participant orientation.

- c. The sketch book, note cards, and the Duds to Dazzle Clothing & Textile Competition Worksheet may be used to prepare for construction of the item and the team's presentation. Teams should be exact on materials utilized, construction steps, techniques used, etc.
11. **Presentation.** When time is called, each team will present their item, according to the criteria on the score card, to a panel of at least two judges. A team can display the final product to the judges as they choose: model, hold, or place on the table.
  - a. All team members must participate in the presentation, with at least three of them having a speaking role.
  - b. Judging time will include:
    - i. 5 minutes for the presentation
    - ii. 3 minutes for judges' questions
    - iii. 4 minutes between team presentations for judges to score and write comments
  - c. Teams are allowed the use of note cards during the presentation but should not read from them, as this minimizes the effectiveness of their communication.
  - d. Judges may ask teams questions that are not directly related to the item constructed during the contest. Instead, some questions may address the general knowledge gained through the 4-H members' fashion and interior design project learning experiences.
  - e. No talking or writing is allowed among any team members while waiting to give the team presentation. Team members caught talking and/or writing will receive a warning. The second time, the team will be disqualified and asked to leave the contest facility. Team members should not have pens or pencils in their possession while waiting to give their presentation.
12. **Clean-up.** Teams must clean up their construction areas. Clean-up time is included in the 60-minute construction allotment. Only "hot" items will be allowed to remain in the construction area, such as an iron or hot glue gun.
13. **Finished Product.** Teams will take their finished product with them and should plan to bring it forward during the award ceremony.
14. **Rankings.** Placing will be based on rankings of teams by judges. Judges' results are final.
15. **Awards Program.** An awards program will be held at the conclusion of the judging process.
